Study local flora and fauna and link to food chains, habitats. Also for Blakeney and Kelling, the importance of conservation within the areas and what it's like to live in an area of outstanding natural beauty and part of an SSSI. Also that this area is being made into a marine conservation zone.	Leaf printing, bark rubbing. Living sculptures using woodland, beach. Landscape photography. Visit local galleries for inspiration. Sainsbury Centre in Norwich.	Flow diagrams/charts to show food chains/webs. Databases features of certain plants and animals	Evaluate their ideas and products against their own design criteria and consider the views of others to improve their work. Prepare and cook a variety of predominantly savoury dishes using a range of cooking techniques.	Understand how some of these aspects have changed over time also look at coastal defence and the issue of rising sea levels and in the impact on the local area.	Blakeney/Kelling Kelling Estate/Weybourne Muckleburgh Blakeney Point River Glaven Letheringsett Mill Holt-Sheringham Railway (Poppy Line) Felbrigg Hall Blickling Hall Houghton Hall Thursford collection	Debussy: La mer. Grace Williams: Sea Sketches. John Ireland: Sea Fever. Benjamin Britten: 'Storm' Music linked to the churches in each location. Sounding Coastal Change links.
